Shri Rajasthani Seva Sangh's Smt. Parmeshwaridevi Durgadutt Tibrewala lions Juhu College believes in substantially working towards the management of environment in the college campus. To achieve this Goal College has framed Environment and energy usage policy.

POLICY FOR ENVIRONMENT AND ENERGY USAGE

- To assess the energy usage and measure its impact on the environment
- To install LED bulbs in the campus to save energy
- To undertake tree plantation drive
- To take additional measures to continuously improve our energy consumption
- To monitor and respond to emerging environmental and energy issues
- To provide training opportunities to students and staff for energy saving measures
- To inculcate environmental ethics and values among the youth
- To encourage use of paper bag or cloth bag instead of plastic bag

Roles

The roles of teachers and students are as follows

- Plastic usage to be reduced in college campus
- Communicate the environment policy to all faculty members and staff
- Encourage students and faculty members to follow nature friendly pursuits and sustainable practices

Guidelines on Ban of Plastic Use

Plastic pollution creates adverse impact on soil, water, biodiversity, health and wellbeing of humans at large. Due to convenience of plastic and plastic goods there is increase in production and consumption of the plastic .Excess use of plastic is a challenge to the urban waste disposal system.

To avoid deterioration in environment quality within college campus and community due to plastic waste ,IQAC and NSS unit of Smt.parmeshwaridevi Durgadutt Tibrewala LJ college has taken initiative and formulated guidelines for Ban on plastic use

Guidelines

1. To create awareness regarding plastic ban policy amongst the students and other stakeholders
2. To Carry out Awareness drives and sensitization workshops on the harmful impact of single use plastics.
3. To Ensure plastic free campus, Usage of single use plastic should be stop by the students and other stakeholders of the institution.
4. Encourage students to use environment friendly alternatives like cloth bag, reusable /metal water bottles, etc
5. To Use Dry and Wet dust bins in college campus so as to segregate waste.
6. To have a strategy for E-waste management.
7. Encourage students to carry out similar campaigns at community level.
