But I have promises to keep.
And miles to go before I sleep,
And miles to go before I sleep”**

The journey of our college has many miles to go since education is a never ending destination.

I take great pleasure in presenting the Annual Report of S.P.D.T. College documenting its development and the achievement for the academic year 2019.20. This year is marked with many events and successful stories. This can be attributed to the dedication and team spirit of the staff, students and members of the management.

We are happy to announce our institution is eligible to provide higher education to more than 2000 students in various graduate & post graduate courses through University of Mumbai.

Once again to add some more values in students academic carrier we have started more under graduate post graduate courses and Management Courses. This year we are going to start many carrier oriented courses with association of Tata Institute of Social Science.

The National Service Scheme is an Indian Government Sponsored public service programme conducted by the Ministry of Youth Affairs and Sports of the Government of India. To inculcate social values in our students our N.S.S. Unit conducted many activities like Tree Plantation, Swatch Bharat Abhiyaan, Blood Donation Camp etc. The strength of N.S.S. Unit of our college is also appreciable as the volunteers of N.S.S actively participated in different University Level programs like peace rally at Azad Maidan, Aids Awareness Week, and Environment Awareness Programs etc. They are also aware of their surrounding and conducted different area based activities like helping police force during Ganpati immersion, AIDS awareness and students are so sensible that they are bonded a good relationship with senior citizens and orphan children of our society.

All volunteers are active and enthusiastic but few are very responsible and have developed leadership qualities. Few of them are—
